PROFILE

I am passionate about creating pixel-perfect, engaging, and accessible digital experiences. I excel at UI/UX design, merging design with functionality for seamless user interactions. I am committed to meeting deadlines and value collaboration.

My greatest passion in life is using my technical know-how to benefit other people and organizations. I am always eager to tackle new opportunities and expand my skills.

SKILLS

FRONT END DEVELOPMENT
JavaScript - TypeScript - React.js - Next.js - React Native - Redux - Tailwind CSS - Material UI - shadcn/ui - HTML - CSS

BACK END DEVELOPMENT
Node.js - Express.js - MongoDB - Firebase - Prisma

TOOLS
Figma - npm - Postman - Git - Github

SOFT SKILLS
Attention to Detail - Learning Potential - Deliver Results

EXPERIENCE

Digital Home 🔗
Front End Developer
07/2023 – present | Algiers, Algeria
- Design and implement a comprehensive admin dashboard for the company team, providing detailed business insights and simplifying management processes.
- Deliver a SaaS app for mobile charging that is fully secured, easy to use, and includes subscription management features.
- Develop an app to streamline bill payments and create a separate app for efficient e-payment solutions.
- Improve app performance by 10% by resolving critical issues stemming from improper coding practices, leading to unnecessary rerenders and app freezes.
- Discuss client requirements to add new features that enhance user experience.
- Utilize data visualization techniques to present complex business data clearly and effectively.
- Fixing production issues.

Skills: Front-End Development - React.js - Next.js - Redux - Zustand - Tailwind CSS - Material UI - Chakra UI - shadcn/ui - Figma
